Re: *Quezada v. Smithey Ironware Company, LLC*; Case No. 1:22-cv-4540 (CM)

Dear Judge McMahon:

MEMO ENDORSED

We represent plaintiff Jose Quezada ("Plaintiff") in the above-referenced action and submit this letter to respectfully request an adjournment of the deadline to submit a Case Management Plan. Defendant has just been served in this matter (on June 22, 2022). We respectfully request an adjournment to allow time for Defendant to retain counsel and propose filing the Case Management Plan one month prior to the initial pre-trial conference, currently scheduled for October 6, 2022. This is Plaintiff's first request for such an extension.

We thank the Court for its consideration of this request.

Respectfully submitted,  
/s/ Edward Y. Kroub
